

The background image shows a peaceful outdoor scene. In the foreground, several dark branches of cherry blossoms are in full bloom, with delicate pink flowers and buds. The blossoms are set against a soft, slightly hazy background. In the middle ground, there is a calm pond that reflects the sky and the surrounding greenery. To the right, a two-story house with a grey roof and white window frames is visible. The overall atmosphere is serene and natural.

Au mois d'août, la Mairie sera ouverte au public uniquement les vendredi de 16h30 à 19h.
